A Decent Proposal

Fairy tales don't always end like, well, fairy tales.

Prince Charming probably wasn't thrilled about sharing Snow White with the dwarfs. No doubt Hansel and Gretel's dad was bankrupted by dental bills. And guys? Most girls don't think popping the question during SuperBowl halftime makes for a happily ever after.

Which is why all men should know about An Exclusive Engagement. Creative genius-slash-owner Michael Bloomberg's Fort Worth operation can mastermind an entire marriage proposal from beginning to end. All he needs is some information on the personalities and schedules of the groom- and bride-to-be to orchestrate a magical moment.

Down on one knee in front of the Hope Diamond at the Smithsonian? No problem. Asking for her hand at Tiffany on Fifth Avenue? Easy.

Of course, even Bloomberg's romantic scenarios won't guarantee she'll say yes.

But at least he'll have a story to tell.
